

The big numbers

We provide entrepreneurs with free facilities; free Wi-Fi, access to the bank's networks and suppliers, and free business advice. We do not require them to bank with us and we take no equity. We believe it is the right thing to do to support entrepreneurs and in turn support economic growth.

We have

3

accelerator hubs in Scotland

Here are our successes so far:

1,047 Jobs Created

Turnover over

£65,134,000

£48,996,000

Investment over

625 Business Supported

More than

87% survival rate

“We have 3 free business accelerator hubs in Scotland and this will benefit thousands of entrepreneurs with free office space, access to our networks, connections, mentoring and all the other things that businesses need to succeed.” Alison Rose, CEO Commercial & Private Banking
