Bristol Clifton branch

Change of opening hours on 5th June 2017.

How banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

This document is designed to outline the rationale behind the decision to change the opening hours of the Royal Bank Of Scotland Bristol Clifton branch, help you to identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the changes to opening hours, please ask a member of the branch team or contact Dominic Chadwick on 07721 243 708 (Minicom 0800 068 1289) or email DOMINIC.CHADWICK@rbs.co.uk

We also understand that not everyone wants to use online services and prefer face to face banking. Our branch network will remain the cornerstone of our services to customers.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the change, and also displayed posters in the branch throughout the notice period.

Conclusion

The decision to change the opening hours of Royal Bank of Scotland Bristol Clifton branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

Customer Themes

- Most people have raised concerns or if the branch will remain open in the future.
- Customers are concerned that the alternative ways to bank are unsuitable for their needs.

We have undertaken the following activities in response to the key areas of concern:

- Branches will remain an important part of the service we provide, but they will evolve as customer behaviour does. Changing from the place where customers go to undertake transactions, to the place they go to for help on big life decisions, such as taking out a mortgage or starting up a business. Where we do take the difficult decision to close a branch, we are committed to supporting our customers and the local community through this change.
- Our local team have contacted customers to discuss their individual circumstances and banking requirements, and have offered help and support with the most suitable ways to bank in the local area.

Following our community engagement and impact assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

Royal Bank of Scotland Bristol Clifton branch will therefore change their opening hours as planned on 5th June 2017. Our branch staff and Dominic Chadwick our local Bank Manager are available to answer any further questions that our customers or the community may have.
