Farnworth branch

Change of opening hours on 5th June 2017.

How banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

This document is designed to outline the rationale behind the decision to change the opening hours of the Royal Bank Of Scotland Farnworth branch, help you to identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the changes to opening hours, please ask a member of the branch team or contact Joanne Baxendale on 07748 320 651 (Minicom 0800 068 1289) or email Joanne.Baxendale@rbs.co.uk.

We also understand that not everyone wants to use online services and prefer face to face banking. Our branch network will remain the cornerstone of our services to customers.

Customer and Community Engagement

We have taken an open and transparent approach to communicate and actively engage with our Personal and Local Business Customers and also the wider local community to ensure they are aware of the alternative ways to bank with us in the local area, and to answer any questions they might have.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the change, and also displayed posters in the branch throughout the notice period.

Conclusion

The decision to change the opening hours of Royal Bank of Scotland Farnworth branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

Customer Themes

- Most people have said that the change of hours might affect the local economy, and it might cause fewer people to visit the area.
 - Our customers have been concerned about what will happen to the staff who work at the branch on the days that the branch is closed and if their working hours would be reduced.
-

We have undertaken the following activities in response to the key areas of concern:

- Our local team have spoken to people about their different needs and offered help with the most suitable ways to bank in the area.
- We have worked closely with the staff at the branch to ensure the best outcomes for their personal circumstances. In most cases on the days that the branch is closed the staff will be working as usual from another nearby branch.

Following our community engagement and impact assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

Royal Bank of Scotland Farnworth branch will therefore change their opening hours as planned on 5th June 2017. Our branch staff and Joanne Baxendale our local Bank Manager are available to answer any further questions that our customers or the community may have.
