### How banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

This document is designed to outline the rationale behind the decision to change the opening hours of the Royal Bank Of Scotland Shaw branch, help you to identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the changes to opening hours, please ask a member of the branch team or contact Salim Patel on 07721233543 (Minicom 0800 068 1289) or email [Salim.Patel@rbs.co.uk](mailto:Salim.Patel@rbs.co.uk).

# Conclusion

The decision to change the opening hours of Royal Bank of Scotland Shaw branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

## Customer Themes

- ❑ Our customers have been concerned about what will happen to the staff who work at the branch on the days that the branch is closed and if their working hours would be reduced.
  - ❑ Most people have said they understand the decision to change the hours of the branch, and that the other ways to bank locally are suitable..
- 

We have undertaken the following activities in response to the key areas of concern:

- ❑ We have worked closely with the staff at the branch to ensure the best outcomes for their personal circumstances. In most cases on the days that the branch is closed the staff will be working as usual from another nearby branch.
- ❑ Customers can access their banking at the local Post Office, through our telephone, online or mobile banking services. Our local team have spoken to people about their different needs and offered help with the most suitable ways to bank in the area

Following our community engagement and impact assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

Royal Bank of Scotland Shaw branch will therefore change their opening hours as planned on 5<sup>th</sup> June 2017. Our branch staff and Salim Patel our local Bank Manager are available to answer any further questions that our customers or the community may have.
