- 18.2 The Supplier shall (at the Buyer's request and expense) do and execute all necessary acts, deeds, documents and things for effectively vesting such rights in the Buyer, shall (at the Buyer's request and expense) provide the Buyer with all reasonable assistance required to vest the same in the Buyer in any part of the world and shall promptly provide the Buyer with all information relating to the Deliverables which the Buyer may reasonably request for the purpose of allowing the Buyer to fully exercise its proprietary rights.

18.3 Subject to Clauses 18.1 and 18.2, nothing in the agreement shall operate to transfer any Intellectual Property Rights from one party to the other.

18.4 The Buyer shall retain title to and all Intellectual Property Rights in any designs, drawings, specifications, samples or other materials provided by the Buyer to the Supplier for use in the supply of the Deliverables. The Supplier shall keep such items secure and shall return them to the Buyer on demand. Such items shall be at the Supplier's risk while in its possession and control. The Supplier may use such items only for the purpose of performing the Agreement.

19. IPR Indemnity

19.1 The Supplier warrants that it is entitled to supply the Deliverables in accordance with the Agreement and the Deliverables shall not infringe the Intellectual Property Rights or other rights of any third party. The Supplier will fully indemnify the Buyer and the other members of the RBS Group against any Loss which the Buyer and the members of RBS Group may incur as a result of any claim that the possession or use of any part of the Deliverables infringes the Intellectual Property Rights or other rights of any third party.

19.2 Without limiting the Supplier's obligations under Clause 19.1, in the event of such a claim being made the Supplier shall, if requested by the Buyer:-

20.3 The Buyer will be able to recover any Loss from the Supplier subject to any limits on the Supplier's liability contained in the Agreement. For this purpose, any Loss suffered by members of the RBS Group (other than the Buyer) will not be treated as being indirect or consequential in terms of Clause 17 simply because it has been suffered by members of the RBS Group and not by the Buyer directly.

20.4 The limitations of liability in the Agreement will apply to the RBS Group as a whole so that they apply to all liabilities incurred under or in connection with the Agreement

20.4.1 by the Supplier to the RBS Group in aggregate; and

20.4.2 by the RBS Group in aggregate to the Supplier.

- 20.5 If and to the extent that the Buyer is unable to recover Loss suffered by other members of the RBS Group under Clause 20.3, each member will be entitled to recover such Loss directly from the Supplier and to enforce the Agreement against the Supplier for this purpose. Irrespective of whether the relevant member of RBS Group has expressed its intention to claim its rights hereunder or the timing of such expression of intent, the Buyer and the Supplier may withdraw from or vary the Agreement or terminate it in accordance with its terms without the agreement of any other member of the RBS Group.
- 20.6 The Supplier acknowledges that the provisions of this Clause 20 have been notified to the other members of the RBS Group.

21. Inspection, Testing and Information

- 21.1 Subject to giving the Supplier not less than seven days prior notice, the Buyer or its agents shall be entitled to inspect and observe the Supplier's procedures relating to the Deliverables and work being performed by the Supplier in relation to the Deliverables. Such inspection and observation shall occur during normal working hours and during other hours that are reasonable under the circumstances. The Buyer shall conduct such inspections so as to avoid any undue disruption to the Supplier's operations. Following any such visit the Supplier shall give due consideration to such recommendations as the Buyer may reasonably make.
- 21.2 The Supplier will promptly provide the Buyer with any information which the Buyer reasonably requests relating to the Deliverables including any information which the Buyer may require to enable it to comply with any legislative or regulatory requirement.

If requested, the Supplier will promptly provide the Buyer's representatives with access to the Supplier's records to verify that the Supplier has complied with this undertaking.

22. Change Control

The Buyer may at any time order an addition to, omission from, or other changes to the Deliverables, the date of delivery, the programme of execution of the Deliverables or the Agreement. Any associated changes in, or additions to the charges set out in the Agreement shall be valued on a fair and reasonable basis to be agreed by the Buyer and the Supplier.

23. Termination

- 23.1 The Buyer may terminate the Agreement forthwith on written notice if the Supplier is in breach of any of its terms and, in the event of a breach capable of being remedied, fails to remedy the breach within fourteen days (or such longer period as the Buyer may specify) of receipt of written request from the Buyer.
- 23.2 The Buyer may terminate the Agreement forthwith if there is a direct or indirect change of control of the Supplier or the whole or a substantial part of the business or assets of the Supplier are disposed of.

In this event, the Buyer will pay the Supplier any costs necessarily and reasonably incurred by the Supplier in the performance of the Agreement up until the time of termination which it cannot recover by other means,

such as re-using or re-selling parts of the Deliverables, provided that the Supplier can demonstrate that it has used all reasonable endeavours to minimise these costs. The Buyer shall have no further liability to the Supplier and, without limitation of the foregoing, the Buyer will not be liable to the Supplier for any loss of revenue or loss of profits as a result of such termination.

- 23.4 Either party may terminate and in case of (b) below shall be deemed to have terminated (automatically upon such occurrence) this Agreement if the other party (a) has become insolvent, or is unable or fails to pay or suspends payment of its debts generally or admits in writing its inability to pay its debts as they become due; or (b) has filed for the commencement of proceedings in bankruptcy (*hasan*), corporate reorganization (*kaisha kousei*), civil rehabilitation (*minji saisei*) or for the commencement of special liquidation (*tokubetsu seisan*) or has sought to arrange its debts with its creditors under the special mediation proceedings (*tokutei choutei*).
- 23.5 The Supplier acknowledges that the provisions of section 48Z of the Banking Act 2009 shall apply to the Agreement.
- 23.6 The Buyer may terminate the Agreement in accordance with Clause 27.
- 23.7 Termination shall have no effect on the rights, liabilities and remedies of the parties which have arisen prior to termination. On termination each party shall return to the other all property and data of the other party which it holds.

24. Force Majeure

Notwithstanding anything else contained in the Agreement neither party shall be liable for any delay in performing its obligations if such delay is caused by exceptional circumstances beyond its reasonable control. In the event of either party becoming subject to such exceptional circumstances it shall promptly notify the other party and, where possible, promptly propose and, where agreed, implement a course of action to minimise the effect of such exceptional circumstances on the performance of the Agreement. However, such exceptional circumstances will only give the Supplier a right to relief in terms of this Clause where there is no failure by the Supplier to implement the business continuity and disaster recovery plan referred to in Clause 16.

25. Legal and Regulatory Requirements and Standards

- 25.3 The Supplier undertakes that while on RBS Group premises it will comply, and will ensure that its employees, agents and subcontractors comply, with all security and safety procedures which apply at the RBS Group premises from time to time and which have been notified to the Supplier or its employees, agents and subcontractors.
- 25.4 In the event of any breach of such security or safety procedures by the Supplier or its employees, agents or subcontractors the Buyer may:-

- 25.4.1 require the Supplier to immediately remove from the delivery or performance of the Deliverables any of its employees, agents and subcontractors who have breached such procedures (without affecting the Supplier's obligations to deliver or perform the Deliverables in accordance with the Agreement), and/or
- 25.4.2 terminate the Agreement forthwith.
- 25.5 The Supplier undertakes to the Buyer that the Deliverables will be delivered or performed in accordance with (a) all laws, regulatory requirements, regulations, bye-laws, codes of practice, Japanese standards or international standards from time to time applicable to the delivery or performance of the Deliverables, and (b) all policies and working procedures of the RBS Group made known by the Buyer to the Supplier (including the RBS Sustainable Procurement code set out at <http://www.rbs.com>) and any RBS Group Pre-employment Screening requirements made known by the Buyer to the Supplier.
