Levenshulme branch

Closing date 20th July 2016

How Banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

The decision to close a branch is never taken lightly, but we have to respond to these changes and help our customers to bank with us in the way that suits them best.

This document is designed to outline the rationale behind the decision to close NatWest Levenshulme branch, help you identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the closure, please ask a member of the branch team or contact Sally McEvoy, Local CEO on 07884 361165 (Minicom 08004046161) or e-mail sally.mcevoy@natwest.com.

We also understand that not everyone wants to use online services and prefers face to face banking. Our branch network will remain the cornerstone of our services to customers.

We have taken an open and transparent approach to communicate and actively engage with our Personal and Local Business customers and also the wider local community, to ensure they are aware of the alternative ways to bank with us in the local area, and to answer any questions they might have.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the closure, and also displayed posters in the branch throughout the notice period.

In addition to writing to our customers, we also contacted the following people and organisations to make them aware and to understand if they wanted to discuss the decision and alternative ways to bank, or if they needed any help.

Customer Themes

- ❑ Most customers have said that the reason they are unhappy about the decision to close the branch is that they will have to travel further to do their banking.
-

We have undertaken the following activities in response to the key areas of concern:

- ❑ Our customers will not have to travel further to do their banking as they can access their banking at the local Post Office, through our telephone, online or mobile banking services, or at our ATM. Our local team has spoken to all customers who have been concerned to explain more about our alternative banking services in the local area.
- ❑ We met with the local post master and have taken time to work together with the local Post Office to ensure that services are in place and are suitable for the local demand. Where relevant, we have helped our customers with setting up and using online banking, and have encouraged them to visit our nearest branch.

Following our community engagement and Impact Assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

NatWest Levenshulme branch will therefore close as planned on 20th July 2016. Our branch staff and Sally McEvoy Local CEO, are available to answer any further questions that our customers or the community may have.
