Maghull branch

Closing date 27th July 2016

How banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

The decision to close a branch is never taken lightly, but we have to respond to these changes and help our customers to bank with us in the way that suits them best.

This document is designed to outline the rationale behind the decision to close NatWest Maghull branch, help you identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the closure, please ask a member of the branch team or contact Graham Hoare, Local CEO on 07826 664189 (Minicom 08004046161) or e-mail graham.hoare@natwest.com.

We also understand that not everyone wants to use online services and prefers face to face banking. Our branch network will remain the cornerstone of our services to customers.

How has Maghull branch changed?

The number of transactions at Maghull branch has dropped by 48% since 2011.

Banking in 2016

Customer and Community Engagement

We have taken an open and transparent approach to communicate and actively engage with our Personal and Local Business customers and also the wider local community, to ensure they are aware of the alternative ways to bank with us in the local area, and to answer any questions they might have.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the closure, and also displayed posters in the branch throughout the notice period.

In addition to writing to our customers, we also contacted the following people and organisations to make them aware and to understand if they wanted to discuss the decision and alternative ways to bank, or if they needed any help.

Our local branch and business teams have proactively looked to contact over 200 of our most active customers and those who are potentially most reliant on the branch. As a result of these discussions we have been able to personally discuss what this means for them and the most appropriate alternative services.

We have received 50 enquiries and 2 complaints as a result of this decision. We have contacted each customer to discuss their concerns.

Conclusion

The decision to close NatWest Maghull branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

Customer Themes

- ❑ Our customers have been concerned that the nearest Post Office will not be able to cope with the increased volume of customers and is not an adequate alternative.
 - ❑ Concerns were raised about how the closure may impact the local economy.
 - ❑ Our customers have been concerned about what will happen to the staff who work at the branch following the closure.
-

We have undertaken the following activities in response to the key areas of concern:

- ❑ We met with the local post master and have taken time to work together with the local Post Office to ensure that services are in place and are suitable for the local demand. We have also contacted each customer to discuss their concerns.
- ❑ Our local team have contacted customers to discuss their individual circumstances and banking requirements, and have offered help and support with the most suitable ways to bank in the local area.
- ❑ We have worked closely with the staff at the branch since the announcement to understand their preferences when the branch closes, and we have not made any compulsory redundancies as a result of the branch closure. The two staff in the branch have decided to retire.

Following our community engagement and Impact Assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

NatWest Maghull branch will therefore close as planned on 27th July 2016. Our branch staff and Graham Hoare Local CEO, are available to answer any further questions that our customers or the community may have.
