Closing date 26<sup>th</sup> July 2016

## How banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

The decision to close a branch is never taken lightly, but we have to respond to these changes and help our customers to bank with us in the way that suits them best.

This document is designed to outline the rationale behind the decision to close NatWest Nelson branch, help you identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the closure, please ask a member of the branch team or contact Carolyn Julieanne McGloughlin, Local CEO on 07824 545316 (Minicom 08004046161) or e-mail carolyn.melling@natwest.com.

**We also understand that not everyone wants to use online services and prefers face to face banking. Our branch network will remain the cornerstone of our services to customers.**

## How has Nelson branch changed?

 **23%**

The number of transactions at Nelson branch has dropped by 23% since 2011.

**85 Customers**

are using the branch on a regular weekly basis, 52 of those customers already use our other branches in the area.

## Banking in 2016

There are now more convenient ways of banking with us than ever before, and our customers are increasingly using these different ways of banking. Across our network:

**Less than 9%**

Of our total transactions now take place in our branches. Branch transactions have been declining since 2010.

 **400%**

Online & mobile transactions have grown by over 400% since 2010.

**56%**

of our customers actively use mobile phone and online banking. That's over 3 million customers per week.

# Customer and Community Engagement

We have taken an open and transparent approach to communicate and actively engage with our Personal and Local Business customers and also the wider local community, to ensure they are aware of the alternative ways to bank with us in the local area, and to answer any questions they might have.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the closure, and also displayed posters in the branch throughout the notice period.

In addition to writing to our customers, we also contacted the following people and organisations to make them aware and to understand if they wanted to discuss the decision and alternative ways to bank, or if they needed any help.

# Conclusion

The decision to close NatWest Nelson branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

## Customer Themes

- ❑ Most customers have said that they understand the decision to close the branch, but they are unhappy that they will have to travel further to do their banking.
  - ❑ Our customers have been concerned about what will happen to the staff who work at the branch following the closure.
- 

We have undertaken the following activities in response to the key areas of concern:

- ❑ Our customers will not have to travel further to do their banking as they can access their banking at the local Post Office, through our telephone, online or mobile banking services, or at local ATMs. Our local team has spoken to all customers who have been concerned to explain more about our alternative banking services in the local area.
- ❑ We have worked closely with the staff at the branch since the announcement to understand their preferences when the branch closes, and we have not made any compulsory redundancies as a result of the branch closure.

Following our community engagement and Impact Assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

NatWest Nelson branch will therefore close as planned on 26<sup>th</sup> July 2016. Our branch staff and Carolyn Julieanne McGloughlin Local CEO, are available to answer any further questions that our customers or the community may have.
