Customer and Community Engagement

New Ollerton branch

Closing date 21st July 2016

How Banking is changing

Our branches are changing from places where customers carry out basic transactions to places where customers interact with our staff on big life decisions. For example buying a home or starting up a business.

The decision to close a branch is never taken lightly, but we have to respond to these changes and help our customers to bank with us in the way that suits them best.

This document is designed to outline the rationale behind the decision to close NatWest New Ollerton branch, help you identify how you can continue to bank in the local community and also details the measures which have been taken to engage with our customers and the local community.

If you would like to discuss the alternative ways to bank in the local community or if you have any further questions regarding the closure, please ask a member of the branch team or contact Perri Handley, Local CEO on 07917 071634 (Minicom 08004046161) or e-mail perri.handley@natwest.com.

We also understand that not everyone wants to use online services and prefers face to face banking. Our branch network will remain the cornerstone of our services to customers.

How has New Ollerton branch changed?

 **35%**

The number of transactions at New Ollerton branch has dropped by 35% since 2011.

99 Customers

are using the branch on a regular weekly basis, 44 of those customers already use our other branches in the area.

Banking in 2016

There are now more convenient ways of banking with us than ever before, and our customers are increasingly using these different ways of banking. Across our network:

Less than 9%

Of our total transactions now take place in our branches. Branch transactions have been declining since 2010.

 **400%**

Online & mobile transactions have grown by over 400% since 2010.

56%

of our customers actively use mobile phone and online banking. That's over 3 million customers per week.

How you can continue to bank locally

The decision to close our NatWest New Ollerton branch on the 21st July 2016 was not taken lightly. It was based on a wide range of factors including branch usage and the alternative ways our customers can bank with us in the area.

Here is a summary of the alternatives in the local area.

For Online Banking you need to be aged 11 or over and have a NatWest account. Please note that system updates may mean that Online Banking is unavailable for short periods of time in the early hours of the morning. To use Mobile Banking you need to have registered for Online Banking, have a NatWest personal account with a debit card and have a mainland UK mobile number starting 07. To make payments using Mobile simply set up and make your first payment to each new payee in Online Banking beforehand. Telephone banking is available to NatWest personal customers aged 16 or over with a current or savings account.

Customer and Community Engagement

We have taken an open and transparent approach to communicate and actively engage with our Personal and Local Business customers and also the wider local community, to ensure they are aware of the alternative ways to bank with us in the local area, and to answer any questions they might have.

We wrote to our customers who regularly use the branch to give them at least 12 weeks notice of the closure, and also displayed posters in the branch throughout the notice period.

In addition to writing to our customers, we also contacted the following people and organisations to make them aware and to understand if they wanted to discuss the decision and alternative ways to bank, or if they needed any help.

Our local branch and business teams have proactively looked to contact over 200 of our most active customers and those who are potentially most reliant on the branch. As a result of these discussions we have been able to personally discuss what this means for them and the most appropriate alternative services.

We have received 20 enquiries and 2 complaints as a result of this decision. We have contacted each customer to discuss their concerns.

Conclusion

The decision to close NatWest New Ollerton branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

Customer Themes

- ❑ Most customers have said that the reason they are unhappy about the decision to close the branch is that other banks in the area closed last year and they will have to travel further to do their banking.
- ❑ Customers have asked if a mobile bank can be introduced

We have undertaken the following activities in response to the key areas of concern:

- ❑ Our customers will not have to travel further to do their banking as they can access their banking at the local Post Office, through our telephone, online or mobile banking services, or at local ATMs. Our local team has spoken to all customers who have been concerned to explain more about our alternative banking services in the local area.
- ❑ Natwest Mansfield Woodhouse and NatWest Shirebrooke closed last year, however before making the decision to close New Ollerton branch we carefully considered this and a number of other factors, including branch usage and access to banking facilities in the local area. NatWest New Ollerton is not the last Bank in town, and the number of transactions taking place at NatWest New Ollerton has dropped by 35% since 2011 and 99 customers are using the branch on a regular weekly basis. 44 of these customers already use our other branches in the area.
- ❑ Following customer and local community feedback, we are reviewing what possible options there may be in the future for a Mobile Bank service.
- ❑ We have met with the local post master and have taken time to work together with the local Post Office to ensure that services are in place and are suitable for the local demand.
- ❑ Where relevant, we have helped our customers with setting up and using online banking, and have encouraged them to visit our nearest branch.

Following our community engagement and Impact Assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

NatWest New Ollerton branch will therefore close as planned on 21st July 2016. Our branch staff and Perri Handley Local CEO, are available to answer any further questions that our customers or the community may have.
