The decision to close Royal Bank of Scotland Glasgow Cambuslang branch has not been taken lightly and careful consideration has been given to the alternative banking services available. Since the announcement has been made we have engaged with our customers and the wider community to listen to their feedback and understand the impact.

Customer Themes

- ❑ Most customers have said they understand the decision to close the branch, however they are concerned about the inconvenience of having to use the receiving branch.
- ❑ Our customers have been concerned about what will happen to the staff who work at the branch following the closure.

We have undertaken the following activities in response to the key areas of concern:

- ❑ Customers do not have to use the receiving branch and can continue to bank at any Royal Bank of Scotland branch which suits them. Our local team has also spoken to all customers who have been concerned to explain more about our alternative banking services in the local area.
- ❑ We have worked closely with the staff at the branch since the announcement to understand their preferences when the branch closes, and we have not made any compulsory redundancies as a result of the branch closure. We have been able to transfer a number of our staff to other branches in the local area.

Following our community engagement and Impact Assessment, we are confident that we have appropriate services in place to ensure our customers have sufficient access to banking locally.

Royal Bank of Scotland Glasgow Cambuslang branch will therefore close as planned on 18th August 2016. Our branch staff and Mark Hamilton Local CEO, are available to answer any further questions that our customers or the community may have.
